## Wallpaper Download and Installation Instructions (Windows XP)

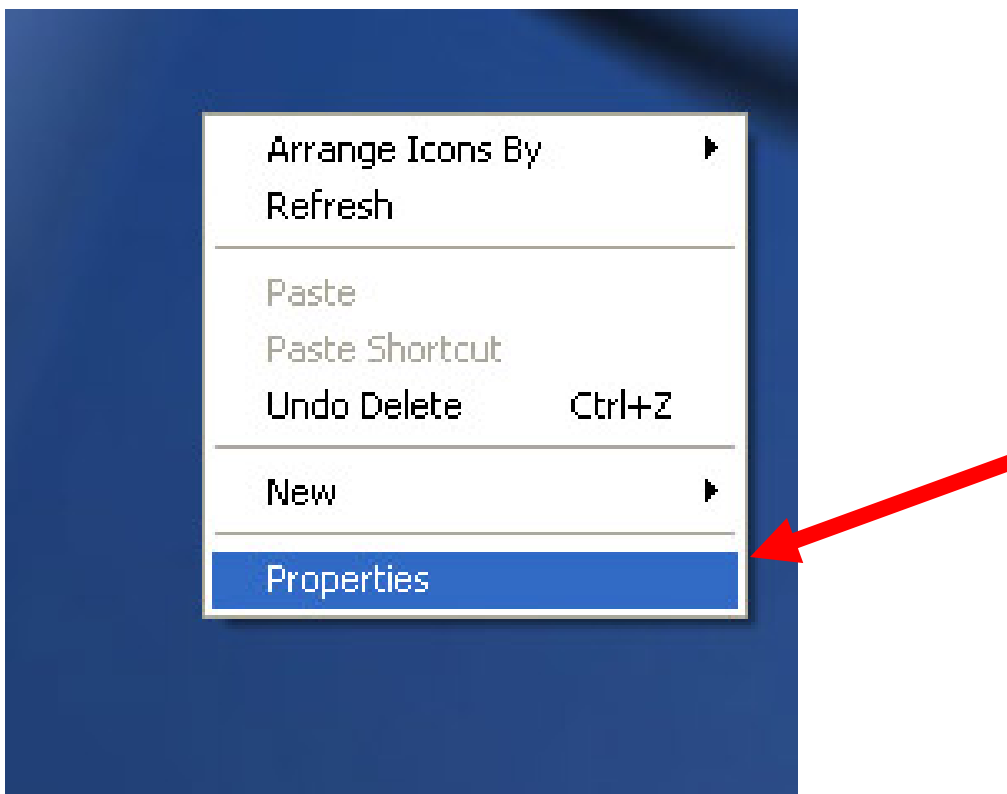

**Step #1:**  
Select the desired size and right click on the link. Choose “Save Target As” from the menu

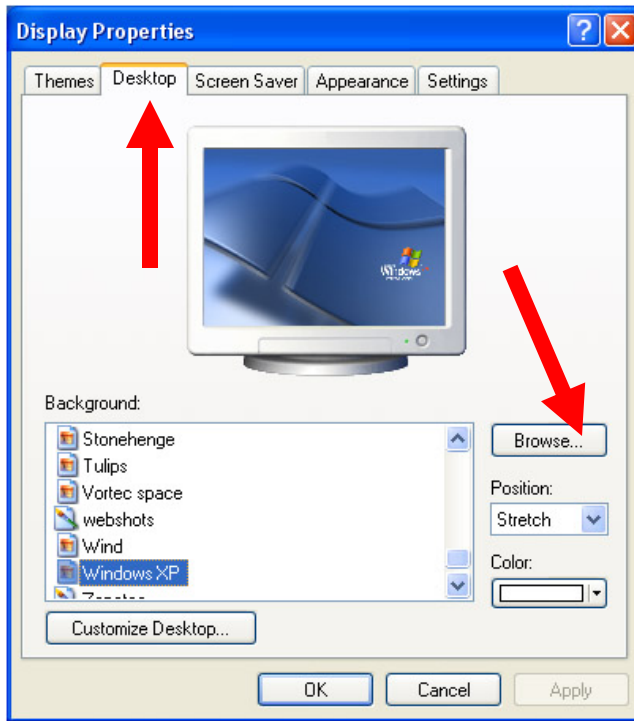

**Step #2:**  
Click on the Desktop button on the left hand side of the dialogue box and then click the “Save” button

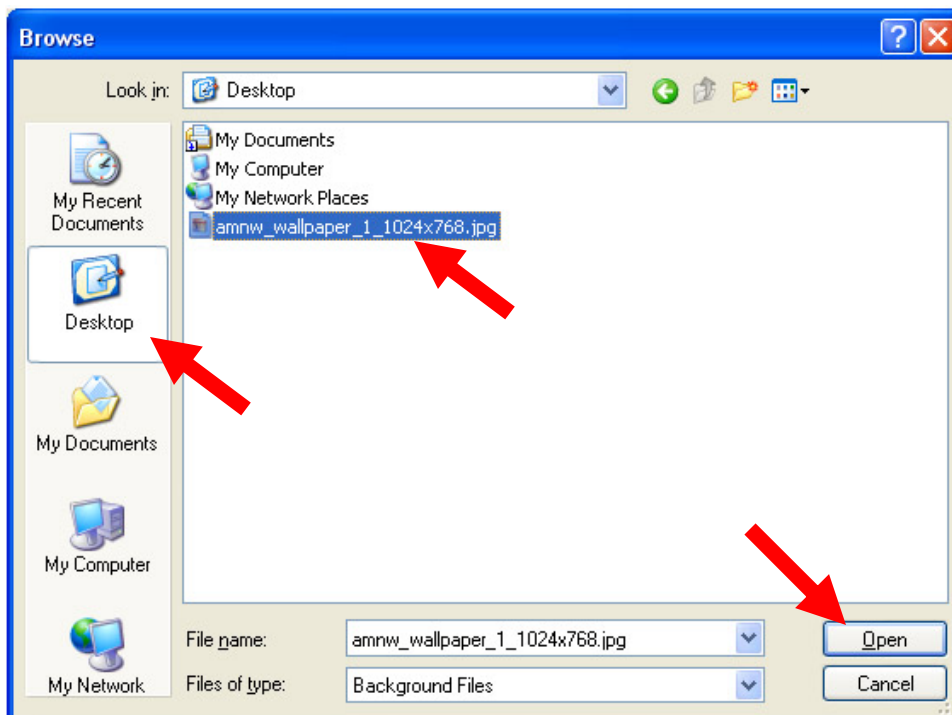

**Step #3:**  
Once the download is complete, click the “Close” button

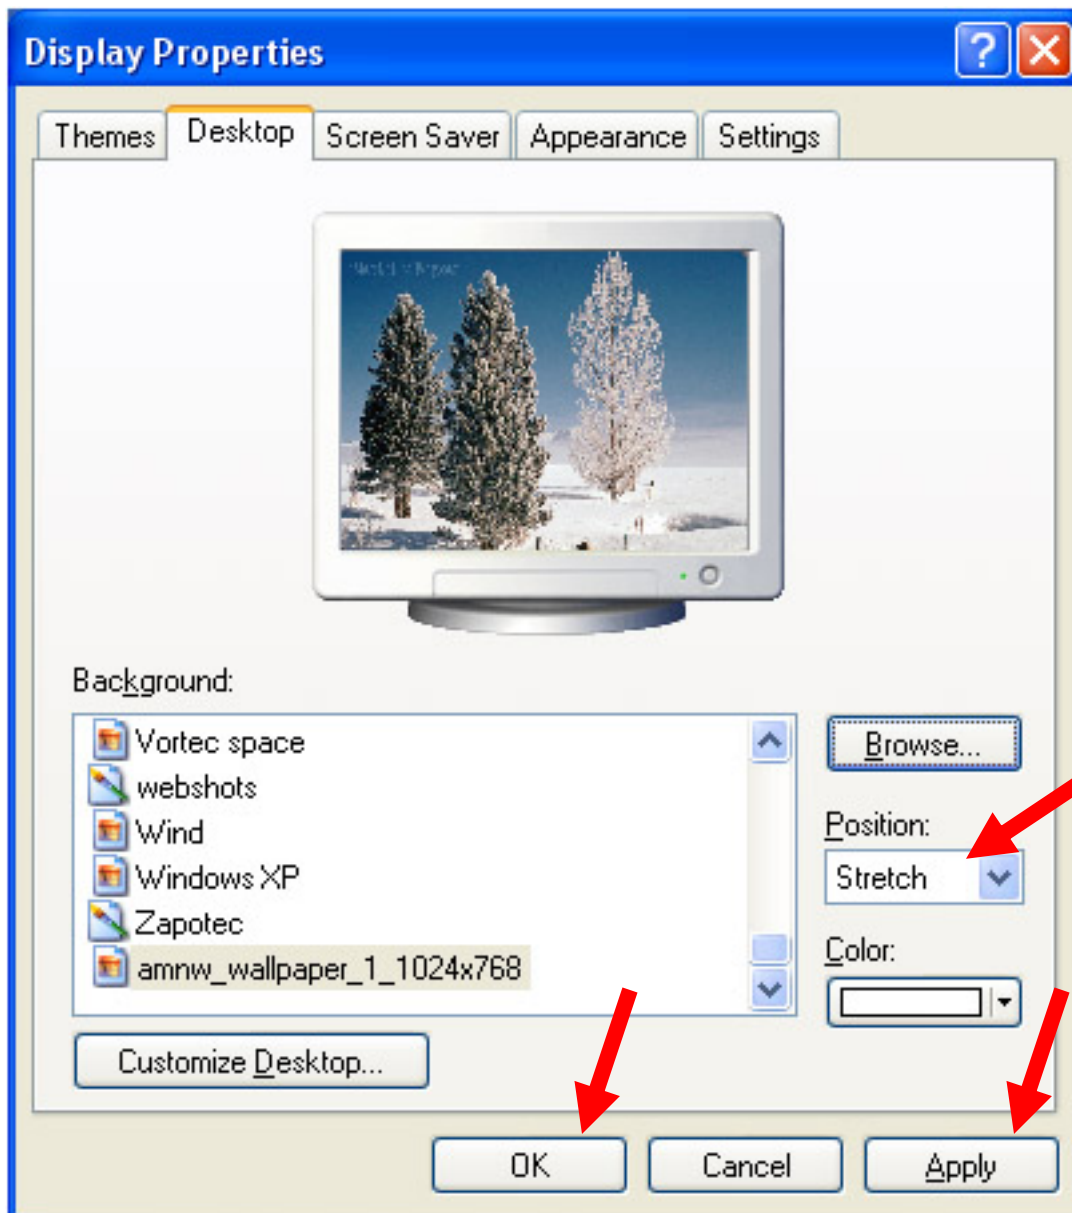

**Step #4:**  
Right-click anywhere on your desktop and select “Properties” from the menu

**Step #5:**  
Select the “Desktop” tab at the top of the dialogue box. Then click the “Browse” button to go find the file you just downloaded.

**Step #6:**  
Click on the Desktop button on the left hand side of the dialogue box. Then click on the file name. Then then click the “Open” button

**Step #7:**

Select "Stretch" from the "Position" drop down list. Then click the "Apply" button followed by the "OK" button.
